## This Year's Theme: Draw Your Dream Restaurant!

## What is dreamARCHITECTURE?

Our elementary school outreach program, dreamARCHITECTURE, is an annual art competition that encourages children to think about their built environment.

Contest themes vary each year, allowing students to express their creativity through drawing their "dream" house, zoo, park, & more.

**For some students, this is their only exposure to the field of architecture!**

## Fun Facts:

In 2020, the ACFA had a scholarship applicant credit the dreamARCHITECTURE program with sparking his interest in studying architecture!

**1,435 Participants in 2020**

**19 Schools Participated in 2020**
