

Alabama Center for Architecture Scholarship Program 2022-2023

Eligibility The Alabama Center for Architecture awards scholarships to eligible deserving students in the following categories:

1. High school students entering freshman year of an accredited architecture program
2. College students entering the first year of an accredited architecture program (i.e. transferring from a junior or technical college program, or enrolling in an architecture program commencing after the freshman year)
3. Undergraduate and post-graduate students continuing in an accredited B. Arch or M. Arch program
4. Post-graduate students entering the first year of an accredited M Arch program

All eligible programs must be accredited by the National Architectural Accreditation Board (complete program listing may be found at www.naab.org). Students must be permanent residents within Alabama boundaries and enrolled full-time for the complete 2022-2023 academic year.

Past recipients of an ACFA Scholarship and past applicants are encouraged to apply.

Procedure Completed applications (including all required submissions), must be postmarked no later than Friday March 18, 2022.

Applications may be addressed to:

Ms. Rhea Williams, Executive Director
Alabama Center for Architecture
