

Alabama Center for Architecture

BECOME A PARTNER

Become a member and invest in the ACFA as we realize our mission to advance the enjoyment of architecture and design through engagement, education and collaboration!

ENGAGEMENT

- ACFA offers exhibits, competitions, symposia, press conferences, and workshops.
- ACFA encourages civic discourse on architecture in an open transparent, and sustained public dialogue through lectures.
- ACFA celebrates the design achievements in Alabama and the region by presenting the design accomplishments of distinguished, historic, and new designs.

EDUCATION

- ACFA educates children on architecture by conducting programs in public schools.
- ACFA provides exhibit space for high schools and colleges to exhibit their design related work.
- ACFA engages the community through exhibits, lecture series, and charrettes.
- ACFA provides a forum for professional and citizen dialogue about the importance of quality design, beautiful public spaces, good civic architecture, and sustainable family-friendly neighborhoods.

COLLABORATION

- ACFA connects professionals, community, and civic leaders to build high-quality environments.
- ACFA fosters collegiality and exchange between industry professionals by providing professional development opportunities.
- ACFA bridges the gap between the suburbs and city of regional issues.

2022 COMMUNITY ARCHITECTURE / CONTINUING EDUCATION

- 1,398 Middle and High School students have been exposed to architecture/engineering/construction through N2 ARCHITECTURE!
- 2,734 Elementary School students participated in dreamARCHITECTURE, a free art contest organized by the ACFA that encourages children to think about their built environment.
- \$98,750 has been awarded to Alabama residents attending accredited universities of architecture since 2007.
- Provided 10.5+ HSW's through Affordable Housing Design Lectures since 2020.
